OS Buildings	Surveyed Buildings

The survey has been digitised / geographically fitted to the Ordnance Survey (O.S.) digital data.

This is to allow the survey to coincide with its surroundings.

Although O.S. Coordinates are shown on this plan the scale is to be treated as arbitrary.

No scale bar has been applied to the survey, therefore the coordinates shown are not true O.S. Coordinates.

Please refer to Survey Station Coordinate Table above to allow correct establishment of the on-site grid head.
