Agent:	Studio Freehaus

RECOMMENDATION

Approve

1. APPROVED DEVELOPMENT

HGY/2022/1185 - (Variation of Condition 2 (approved plans) of listed building consent ref: HGY/2021/2203 for Internal refurbishment of Grade II listed property), namely to amend the ventilation strategy.
Granted

2. ANALYSIS/ASSESSMENT

Condition 4c reads:

4. Detailed drawings or samples of materials, as appropriate, in respect of the following, shall be submitted
to and approved by the Local Planning Authority before the relevant part of the work is begun.
c) Detailed design, material specification and material samples of proposed signage to front elevation

The submitted plan shows the proposed elevation drawing with signage and applied solar film to the windows. The signage above the doors consists of individual letters with halo illumination.

The submitted details were previously supported under application references HGY/2021/2202 and HGY/2021/2203 and are considered appropriate for the listed building and will preserve and complement its architectural style. The proposal was amended prior to making this decision due to objections from the Council's conservation officer to the style of the signage; however, the amendments have addressed these original concerns.

The proposed signage detail complements the distinctive architectural style of the listed building and preserves the character and appearance of the conservation area, consistent with Policy HC1 of the London Plan 2021, Policy SP12 of the Haringey Local Plan 2017 and Policy DM9 of The Development Management DPD 2017.
