Good Afternoon,

Thank you for your email.

Our comments sent on 27th March 2024 would have taken this into account.

Would you like me to send you these again?

Kind regards,

Lauren Underwood

Hi all,

Can you please comment if there would be any issues with the above?

We have has some back and forth with the following application ref: HGY/2023/0850 - 139 Cranley Gardens, London, N10 3AG

If someone could comment on the indicated line of the public sewer which the proposed basement would apparently be going through. See the attached and below for reference.
