Hi Eunice, yes extension is fine not a problem, I assume when you say assessment that still means that's being recommended for approval?

Hi Michael,

I'll be away next week, but I can finalise the assessment for 2 Cholmeley Park the following week, alongside the advice note for No. 225.

Would you accept an extension of time of 6 September 2024 for 2 Cholmeley Park?

Hi Eunice, hope you are well. Further to our visit this week please see attached revised drawings and adjusted planning statement to confirm our discussions. Do let me know if you require anything further.

As an FYI we are going ahead with forming the setting out of the above ground element at Archway using the temporary fencing next week. Will let you know how it goes.

Thanks again for your input and speak soon.

Hi Michael,

Thanks for confirming.

At this stage, it will just be me at the site meeting. It would be crucial to have Conservation input for the pre-app, but due to workloads, a proper pre-app discussion will need to be held on Teams at a later stage (as per Marco's email). We can certainly run through your pre-app proposal though.

Hi Michael,

Would 4pm on Tuesday 16/7 work for you?

You should be receiving an email shortly about the fee for the follow-up pre-app.

We can also talk through the pre-app scheme while we are on site.

Hi Eunice, I could potentially make some time Tuesday afternoon next week if that could work?

Did you have any joy on the fee structure for the Archway Pre-app, wondering if we can use the time well and discuss this at the same time?

Hi again, sorry to chase but just don't know where we are with this application now? We have discussed an appeal based on non-determination but are reluctant to add to everyone's workload. Happy to arrange a time for a brief call if that helps?
