Submission: Objection

Comments: I object to these proposals for fill-in development of the Ramsey Court site, N.8. This was originally intended as a public green space and the Council has pledged use of brownfield sites for new housing and not parks or gardens with mature trees. As you know, Park Road in front of Ramsey Court is a hub of traffic activity and regularly becomes extremely congested with buses, through rush hour traffic, fire engines from the local station, Health Centre and Leisure Centre visitors, vet and dentist all very close by. This proposed plan will destroy a much needed breathing space in what is already a densely urbanised landscape.

I hope the new housing plans can be restricted to the garage area on Barrington Road - far more suitable for sympathetic development.
