Submission: Objection

Comments: This objection is late because the Haringey letter to us about this planning application was dated 16/12/21 but it was not delivered until 19/01/21 due to the problems with the postal service in this area. I have no objection to the houses that would replace the dilapidated garages on Barrington Road but the flats on Park Road seem like an overdevelopment as they will shade the gardens behind them and I agree with comments from other objectors about the need to preserve some green space on Park Road given the traffic levels and pollution on the road. I developed asthma after moving to this road and the Haringey Cycling Plan involves reducing or blocking car traffic on 'residential roads' and re-routing them to fewer main roads of which Park Road would be one. All in all a further increase in pollution on Park Road. Preserving the green space on Park Road will be important for the health of residents.
