Submission: Objection

Comments: It may be acceptable to develop the land on which the disused garages stand BUT the green space adjacent to Ramsey Court should and must be sacrosanct. It is designated as a green space with mature trees which help to clean the air from a busy main road. Cramming in housing to this relatively small piece of land will only worsen the lives of near neighbours. Given the proliferation of ugly housing blocks of flats on Park Road I have no faith in what the Council may approve and building on this space breaks its own undertaking not to build on green spaces. This Council needs to stop being high handed in its relationship with its citizens. It does not always know best!
