Comments: i strongly object to planning groups idea for seperate rich and poor doors.and segregated childrens playgrounds.

this sort of segregation goes against the inclusivity.of the community of haringey and is an affront to a civilised society.

the planning group would be well advised if they radicly rethink these divisive and seperatist plans.if the group are fixed on this to put it bluntly apartheid approach they should be replaced by a more civilsed and humanitarian team.

you are the local council responsible to the community not estate agents looking for a fast buck regardless of ethics.

thank tou for your kind attention.

yours sincerely inga bystram.
