

GENERAL NOTES

1. This drawing to be read in conjunction with all relevant civil engineering drawings.

LEGEND

REVISION C NOTE:
The purpose of the current revision of this drawing (Revision C) is to clarify the width of the access along the Abbots Terrace track.

The stated dimensions on this drawing represent the minimum effective width of the track itself (as opposed to the width between the faces of the existing buildings and boundary walls shown in the earlier Revision B of this drawing) in the specified locations along its length.
