OBJECTION

Dear Sir /Madam

I am writing to object to the above planning application

1)

The address of this site is not 29 Haringey Park as stated.

This plot is at the rear of 29 Haringey Park on the Back Lane which runs between Haringey Park and Cecile Park and leads on after Abbots Terrace

2)

The listed supporters of this application shown on the website will not be affected by this proposed building as their addresses are nowhere near this site

3)

The proposal to put concrete on Abbots Terrace to support the extra traffic is not an option
Our services are beneath the present surface and a concrete surface would severely hamper any work needed to be carried out

4)

Applications to this site have been refused by Haringey Planning and The Appeal System for years and this application is no different. It would change the character of the lane in a negative way

Mrs N Gillen
