Submission: Objection

Comments: Along with many of my neighbours, I strongly object to this planning application. Though the applicants have, apparently, tried to mitigate privacy concerns with additional landscaping, the fact remains that the proposed dwelling will overlook other properties, and that the proposed structure is far out of keeping with the neighbourhood, marring the amenity of the area. The proposed site is squeezed in behind other houses and development there would destroy valuable green lands that provide habitat for wildlife which we must protect, not destroy. The negative impact of the dwelling on both the environment and the residents of Bidwell Gardens and Wroxham Gardens cannot be overstated.
