Comments: This is a good scheme. We need more Social Housing. I fully support this scheme as does my family - 3 adults eligible to vote.

We absolutely need more Social Housing Schemes.

I understand that some local residents are concerned about the impact on parking. This is selfish. Those objectors should look to getting rid of their cars. Why do they assume the residents will have cars? The only cars on our streets should be mobility vehicles and electric cars. We need to phase the other type of car out. Walk if you can, or use Public Transport.

Please - let us have more schemes like this one. Well done HARINGEY!
