

KEY

- 1

Central paved shared space accommodating refuse / emergency turning head and blue badge parking. Planted south and west edge enhances privacy for private property and attractive views into site from Seaford Road.
- 2

Central green amenity space with seating and doorstep play for resident use only. Proposed 900mm steel fence with instant hedge planting on the outside. Fobbed access to gates for resident use only.
- 3

Planted edge to amenity space contributing garden character and privacy for adjacent gardens. Garden walk defined by native and pollinator planting to south edge and avenue trees.
- 4

Shared communal gardens comprising social spaces with seating, food growing beds and lawn for informal recreation. Secure access and cycle storage for residents only. Hedge planting at edges provide privacy for private terraces and adjacent properties.
- 5

Entrances to development denoted by totem signage and change of surfacing materials denoting entrance to a private development. Fencing proposed to Greenfield Road entrance to reinforce private development and allow for future gate to be installed if required.
- 6

Entrance to the new houses from Lomond Close comprising footpath and new brick boundary to adjacent properties. Hedge planting to private gardens and planting at eastern boundary contribute garden character to entrance courtyard.
- 7

Private front gardens comprising paved terraces with 900mm low brick wall and railing boundary, hedge planting at edges to enhance privacy. Front gardens for houses accommodate bin and cycle storage contained within 1275mm brick enclosure.
- 8

Private rear gardens comprising paved terrace, lawn, 1.8m timber boundary and planted edges to rear.
- 9

Private rear gardens comprising paved terrace, planted edge and 1.8m timber boundary.
- 10

Private rear paved terraces with 900mm railing and hedge boundary
- 11

Proposed secure cycle store
- 12

Proposed water tank room
