

The image shows a detailed architectural floor plan of a building. The plan includes various rooms, corridors, and structural elements. A prominent red bracket is drawn on the right side of the plan, highlighting a specific section of the building. This section appears to be a multi-story structure with a complex internal layout, possibly a core or a wing. The rest of the plan shows other parts of the building, including a large open area on the left and several smaller rooms and corridors.
