Except for Planning purposes, figured dimensions only are to be taken from this drawing.
All dimensions are in millimetres unless otherwise stated.
All dimensions shall be checked on site prior to works commencing.
Any discrepancies shall be reported to the Architect.
Information shown relating to context beyond the application site boundary is indicative only. Where based on Ordnance Survey mappings, accuracy of contextual information is subject to inherent variations and tolerances as set out by HM Land Registry.
© Copyright F3 Architecture + Design. All rights reserved.

Refer to relevant Construction (Design and Management) documentation where applicable. The Contractor shall plan, manage and monitor the works inclusive of temporary erection stability. Any works that are found to be unstable in the temporary state are to be reported directly to the structural engineer and Main Contractor/Package Manager in order to provide safe temporary support. Check on site prior to commencement of works/fabrication etc.
