

The architectural floor plan depicts a symmetrical house layout. A central vertical axis, marked by dashed lines and section indicators 'A' at the top and bottom, divides the plan into two mirror-image halves. The central hallway contains two staircases, each with an arrow pointing downwards. To the left of the hallway is the kitchen, and to the right is the dining room. A small bathroom (WC) is located at the top of the central hallway. The plan includes detailed wall lines, door swings, and window placements. Two horizontal red dashed lines intersect the central vertical axis, further defining the spatial organization.

- (1) Do not scale from drawings - use written dimensions only.
- (2) All dimensions are in millimeters unless noted.
- (3) All dimensions shall be verified on site before proceeding with the work.
- (4) Architecture Landscape Urbanism Ltd shall be notified of any discrepancies.
- (5) Engineer to specify all structural information.
