To whom it may concern,

I am writing to express my strong support for the Full Planning Permission application for the property located at 160 High Road, Page Green Terrace, N15 4NU.

My name is Victoria Erdelevskaya and I have been renting a studio space at 160 Page Green Terrace between February 2017 and November 2019. In addition to my job with a design company, I identified a significant opportunity to expand my offerings and services. The availability of 24-hour access to the premises has been instrumental in helping me launch my small photography/videography business.

It is important to recognise the immense value that this opportunity presents, especially for individuals like me who are striving to build a career. Without the facilities provided by this site, I would have found it challenging to initiate my business. For these reasons, I wholeheartedly endorse the planning permission application. I trust that you will take my points into account as you make your decision.

Kind Regards,

Victoria
