Dear Sirs,

Re: Letter in support of planning permission.

I am writing this letter in support of the application for Full Planning permission at 160, High Road, Page Green Terrace N15, 4NU.

The terms of the permission; E(g) (iii) formerly (B1) (Photography/Music/Recording Studio/Production) use with associated facilities, at the above premises.

I am a local business owner who operate as the local Off Licence for more than 10 years. I am located no more than 100 meters away from the 160, Page Green Terrace N15.

I very well acquainted with my customers and know the area well. I've seen the demise of businesses but seen little opportunity young startup businesses.

I know several people who operates at small startup out of no. 160. It seems to me that offering young entrepreneurs' opportunities to develop startup businesses is visionary and inspiring, I believe that in turn serves the wider community and benefit the local economy, this is why I fully support this application.

I hope that my points will be considered when considering your decision.

Regards

Surpal Singh
Yours sincerely
