To Whom It May Concern,

I am writing to express my wholehearted support for the Full Planning Permission application for the property located at 160 High Road, Page Green Terrace, N15 4NU.

My name is Dan Wilder, and I had the privilege of utilizing the studio space at this address from April 1, 2014, to July 31, 2016.

As a photographer, my experience at this studio was instrumental in advancing my craft. The communal area provided an ideal backdrop for capturing shots, allowing me to explore various creative concepts in a collaborative environment. The space was essential for securely storing my photographic equipment, ensuring that my gear was always protected and accessible when needed.

Moreover, the workshop served as a fantastic hub for networking, where I connected with other creatives and industry professionals. This sense of community was invaluable, as it fostered collaborations and shared insights that enriched my work.

My time spent in this inspiring and functional space has had a lasting impact on my career, and I fully endorse the planning permission application.

I trust that my experiences will be taken into consideration during your deliberation.

Thank you for your attention to this matter.

Sincerely,
Dan Wilder
