To Whom It May Concern,

I am writing to offer my enthusiastic support for the Full Planning Permission application for the property located at 160 High Road, Page Green Terrace, N15 4NU.

My name is Mr. Rob Heard, and I had the distinct privilege of renting a studio at this location from June 1, 2014, until December 31, 2017.

As both a welder and photographer, I found this space to be incredibly beneficial for my professional endeavour's.

The studio provided an ideal environment where I could seamlessly blend my two passions. Having 24-hour access allowed me to work on my welding projects while also having the flexibility to capture photographs at any hour of the day.

The facility offered ample room for my equipment and materials, ensuring that I could maintain an organized workspace. This was vital for both my welding and photography, as it allowed me to focus on my craft without unnecessary distractions. The supportive atmosphere of the studio played a crucial role in my ability to develop my skills and complete various projects successfully.

I firmly believe that the benefits provided by this location are invaluable for creative professionals.

The opportunity to work in such a versatile and accommodating space is essential for anyone looking to thrive in their field. For these reasons, I wholeheartedly endorse the planning permission application and trust that you will consider my perspective as you make your decision.

Thank you for your attention to this matter.

Sincerely,

Mr. Rob Heard
