To Whom It May Concern.

I am writing to express my enthusiastic support for the Full Planning Permission application for the property located at 160 High Road, Page Green Terrace, N15 4NU.

My name is Miss Lottie Day, and I had the pleasure of utilizing the studio space at this address from January 1, 2018, to August 10, 2023.

I am a make-up artist and model, my time spent at no. 160, was valuable a experience in my professional development.

The space provided an excellent setting for photoshoots, allowing me to showcase my skills and creativity in a well-equipped environment. It also served as a secure area for my makeup and modelling supplies, which was essential for my work. Additionally, the studio became a vibrant hub for networking, enabling me to connect with other artists, photographers, and industry professionals.

These connections have proven to be instrumental in advancing my career and expanding my opportunities in the field.

My experience in this supportive and accessible workspace has greatly influenced my journey, and I wholeheartedly advocate for the approval of the planning permission application.

I hope my insights will be considered in your decision-making process.

Thank you for your time and consideration.

Sincerely,

Miss Lottie Day
