SCALE BAR IN METERS FOR THE 1:100ELEVATIONS

This drawing and the works depicted within are the copyright of:
Plan My Property
and may not be reproduced or amended except by written permission of:
Plan My Property
and for use on this site only

Before commencement of the works the contractor must check and verify all buildings and site dimensions and levels, all proposed sewer outfalls, level levels and connection points.

This drawing must be read in conjunction with the adequacy of the site investigation information and should ensure that adequate foundations appropriate to the ground conditions are used for any part of the works.

This drawing should not be relied upon to give information on ground conditions and foundation.

The Contractor is to carry out the work to compliance with the Building Regulations, relevant current British Standards
